Dear Leslie:

As I told you, recently I have been requested from Japan and Korea to find some "Polysilicon" manufacturing companies in our State. The companies in both countries want to import the "Polycrystalline Silicon" (>7n: good quality) based upon the legal contract. If things are going good, Westwood Industries will handle this silicon business to export to Japan and Korea.

1) Manufacturing companies names ,phone and fax numbers

2) whom do I have to contact ?

If you inform me of the above, it would be highly appreciated.
